	Examiner Name	Wood, William H.

Participants: William Wood, Andrei Popovici

Interview Date: December 13, 2004

Interview Type: Telephonic

DEC 27 2004

A. Nature of exhibit shown or demonstration conducted:

None.

B. Identification of the claims discussed:

Claims 1, 24.

C. Identification of specific prior art discussed:

Dangelo et al. (5,493,508), Hasley et al. (5,892,682).

D. Identification of principal proposed amendments of a substantive nature discussed:

None.

E. The general thrust of the principal arguments of the applicant and the examiner:

Applicants argued that even if one were to try to combine the teachings of Dangelo et al. and Hasley et al., a non-hindsight combination would not have yielded the subject matter of claims 1 or 24, which require interconnecting hardware models according to the central specification as claimed.

F. General indication of any other pertinent matters discussed:

None.

G. General results or outcome of the interview unless already described in the Interview Summary form completed by the examiner:

Applicants will send a written response with RCE.
